

ISMNM 2021

The 6th International Symposium on
Micro/Nano Mechanical Machining
and Manufacturing

Hybrid; On-line/On-site
October 27 - 29, 2021

REGISTRATION

There is no registration fee required for the conference participation. Still, you are required to register in order for us to serve you better. Please register via conference website.

Any registration question may be directed to conference secretary at:

A/Prof. Teppei Onuki (Japan/others)
E-mail: teppei.onuki.nlab@vc.ibaraki.ac.jp

Prof. Tianfeng Zhou (China side)
E-mail: zhoutf@bit.edu.cn

PROGRAM AT A GLANCE

October 27: Registration
October 28: Presentation & Discussion
October 29: Presentation & Discussion

JAPAN-SINO BILATERAL PROGRAM

ISMNM2020/2021 is incorporated into international scientific exchanges program between Japan and China supported by JSPS and NSFC

2ND CALL FOR PAPER

Important message from the conference committee;

Due to the influence of COVID-19, the platform of this conference has been switched to on-line/on-site hybrid style. The conference period has also been shortened to October 27 ~ 29.

The detailed program will be provided on WEB site once it is available.

VENUE (HYBRID)

On-line

VooV meeting for international user
<https://www.voovmeeting.com/download-center.html?from=1002>

Tencent Meeting for China mainland user
<https://meeting.tencent.com/download-center.html?from=1002>

The ON-LINE ROOM NUMBER will be announced to the registrants later.

On-site

Chinese satellite:
Mingyue Lake Future Hotel
21 Zhuoyue Road, Longxing Town,
Yubei District, Chongqing, China

Japanese satellite:
Active Resorts MIYAGI ZAO
Sakasagawa-9-3 Togattaonsen, Zao-machi,
Katta-gun, Miyagi 989-0916, Japan

Invitation

ISMNM 2021

October 27 – 29, 2021

Hybrid; On-line/On-site

Organized by

Committee for Nano-Precision Mechanical Manufacturing
Technology, JSPE, Japan
Beijing Institute of Technology (BIT), China

Sponsored by

Japan Society for the Promotion of Science (JSPS), Japan
National Natural Science Foundation of China (NSFC), China
Machine Tool Engineering Foundation, Japan

ISMNM 2021

The 6th International Symposium on Micro/Nano Mechanical Machining and Manufacturing (ISMNM 2021) will be held on-line/on-site on October 27 – 29, 2021. Since 2010, JSPE and several Chinese key universities such as BIT, XJTU, NUAA have come together to promote the related technologies, bringing together both academic researchers and industrial practitioners around the world for the exchange of the latest developments and applications in the areas of Micro/Nano Mechanical Machining, Manufacturing, abrasive and advanced machining technology. ISMNM has been held successfully every two years for three times and ISMNM 2021 will provide an opportunity in the exchange of ideas, friendly relationships, and research collaborations.

CALL FOR CONTRIBUTIONS

We are looking for contributions in the following areas of interest related to Micro/Nano mechanical machining and manufacturing technology and advanced machining technology. All the contributions are specially invited.

AREAS OF INTEREST

- Micro/Nano Machining and Manufacturing Technologies
- Micro Cutting Tool Design Theory and Manufacturing Technologies
- Ultra-Precision Machining and Fabrication Technologies
- Micro Cutting and Abrasive Machining Technologies
- Micro Die and Mold Manufacturing Technologies
- Micro Forming Processing Technologies
- Micro Machines, Systems and Intelligent Instruments
- Micro Assembly and Integration Technologies
- Micro Measuring and Testing Technologies

IMPORTANT DATES IN 2021

August 1 Call for paper
September 30 Final submissions of PDF formatted file for proceedings
October 27 Registration
October 28 Keynote & Presentation
October 29 Presentation & Discussion

SUBMISSION GUIDELINES

Guidelines and instructions for preparing and submitting contributions are available at;

<http://www.scoop-japan.com/topics/ismnm2021.html>

- Official language for the symposium is English.
- All contributions should be prepared in PPT format and converted into PDF file for submission.
- Contributions must be formatted according to the Author Instructions for submission.
- The length of each contribution should be for **10-15** min oral presentation.
- Abstracts will not be accepted.
- Each contribution must be submitted individually with the required attachments according to the Author Instructions for Submitting. Please send each contribution by email to: zhoutf@bit.edu.cn (China side) teppef.onuki.nlab@vc.ibaraki.ac.jp (Japan/others)

All contributions in PPT format must be submitted before September 30, 2021 and orally presented at the symposium. The symposium proceedings containing all the contributions in PPT format are available for each participant.

CONFERENCE COMMITTEES

Chairman

Prof. Libo Zhou, Ibaraki University, Japan

Co-Chairman

Prof. Tianfeng Zhou, Beijing Institute of Technology, China

Honorary Chairmen

Prof./Academician Bingheng Lu, Xi'an Jiaotong University, China
Prof. Xibin Wang, Beijing Institute of Technology, China
Prof. Shilong Wang, Chongqing University, China
Dr. Hitoshi Ohmori, RIKEN, Japan
Prof. Tsunemoto Kuriyagawa, Tohoku University, Japan

Conference Secretary

A/Prof. Teppef Onuki, Ibaraki University, Japan

Organizing Committee

A/Prof. Nobuhito Yoshihara, Iwate University, Japan
A/Prof. Hirotaka Ojima, Ibaraki University, Japan
A/Prof. Masayoshi Mizutani, Tohoku University, Japan
Prof. Ning He, Nanjing University of Aeronautics & Astronautics, China
Prof. Huajun Cao, Chongqing University, China
A/Prof. Tianyang Qiu, Beijing Institute of Technology, China

Scientific Committee

Prof. Wei Gao, Tohoku University, Japan
Prof. Hirofumi Suzuki, Chubu University, Japan
Prof. Masahiro Mizuno, Iwate University, Japan
Prof. Minoru Sasaki, Toyota Technological Institute, Japan
Prof. Jiwang Yan, Keio University, Japan
Prof. Yasuhiro Kakinuma, Keio University, Japan
A/Prof. Hiromi Isobe, Nagaoka University of Technology, Japan
A/Prof. Mitsuyoshi Nomura, Akita Prefectural University, Japan

CONFERENCE COMMITTEES CONT'D

A/Prof. Keita Shimada, KEK, Japan
Dr. Yutaka Watanabe, RIKEN, Japan
Prof. Ming Chen, Shanghai Jiaotong University, China
Prof. Jun Zhang, Xi'an Jiaotong University, China
Prof. Jing Chen, Peking University, China
Prof. Guobiao Wang, National Natural Science Foundation of China (NSFC), China
Prof. Chengyong Wang, Guangdong University of Technology, China
Prof. Fengzhou Fang, Tianjin University, China
Prof. Weizheng Yuan, Northwestern Polytechnical University, China
Prof. Tielin Shi, Huazhong University of Science & Technology, China
Prof. Ning He, Nanjing University of Aeronautics & Astronautics, China
Prof. Yongbo Wu, Southern University of Science and Technology, China
Prof. Xianli Liu, Harbin University of Science and Technology, China
Prof. Feihu Zhang, Harbin Institute of Technology, China
Prof. Zhanqiang Liu, Shandong University, China
Prof. Renke Kang, Dalian University of Technology, China
Prof. Chunguang Xu, Beijing Institute of Technology, China
Prof. Li Jiao, Beijing Institute of Technology, China
Prof. Peng Yao, Shandong University, China
A/Prof. Lijing Xie, Beijing Institute of Technology, China
A/Prof. Zhibing Liu, Beijing Institute of Technology, China
A/Prof. Zhiqiang Liang, Beijing Institute of Technology, China
A/Prof. Zongwei Xu, Tianjin University, China
