

Ito International Research Center Floor Map:

Name Badge:

Access to conference sessions, company visit and social activities is gained by showing your conference badge. Please wear your name badge at all occasions during the conference.

Preparing for Presentations:

Please bring your presentation to the session room. To assure a fluent transition between speakers, all presenting authors are asked to meet their session chair and to prepare their presentation in the respective session rooms at least 15 minutes before the start of the session during which they will present.

Internet Access:

You can find the network name and password in your name badge.
